

## IN THE NEWS THIS WEEK:

→ There's still time to sign up for Spring Workshops

→ **Open: 8-6 Mon. - Sat.  
1-5 Sundays**

### May 10th E-NEWS

It is 5:18 on Friday afternoon and I'm supposed to have a newsletter ready to send out. As it is, I've only just sat down at the computer to get started on it so I'm going to keep it short and simple! Everyone is anxious to get their gardens, baskets and planters done so it's been crazy busy~ just the way I like it!!

Mother's Day is on Sunday and I have to let you know about all the great specials we have on this weekend and all of next week. **Hanging baskets** are one of the most popular gifts for Mom~ every year we sell a lot of them. Our baskets range in regular price from 10 inch baskets @13.99 each to huge moss baskets @ 110.00 with many others sizes/prices somewhere in between. I'm happy to report than many of our customers have been saying that we have the nicest baskets in town and, starting today, **they are on sale at 15% off the regular price.** All of our planters are also 15% off the regular price.

Another popular Mother's Day gift is a rose plant. We have hundreds of beautiful roses in stock, including a great selection of the wonderfully fragrant, old-fashioned-looking David

Austin English roses. and they are **all 20 % off this week.**

This is the last week we'll have seed geraniums. It's time to get them planted or they won't be blooming until late in the summer. **All remaining seed geraniums are now 75 cents each.** We're continuing our Pansy special for one more week: **4" potted pansies are 99cents each.** We've gotten so many shipments of plants this week and the staff has done an amazing job of getting them into place as quickly as they came in (almost). So come in and check out all the great plants we have in stock. If we don't have what you're looking for, just ask and I'll try my best to find it for you!

Of all the workshops we've offered this spring, the 'Old World Stone' hypertufa planter has generated the most interest. We held the

first of three workshops this past week and the resulting planters look fabulous! They need at least a week to cure properly but I know they'll look even better once they've got plants in them.

What fun!

## **APPLE LANE GIFT SHOP:**

All jewelry and summer scarves are **15 % off this week**. They make great gifts for Mom but don't forget to get one (or two or....) for yourself. We're always getting in

new stock, so even if you checked out what we have a week ago, there are always new things to check out.

I don't have time to write much more so I'm going to give you the links to some items that you might find interesting:

1. Plans for small garden spaces:

2. Plans for gardens that attract birds and butterflies and then no-fuss garden.

There are lots of good ideas in these links but if you need help planning your garden or landscape, don't forget that we do garden consultations and design. While it is too busy right now to do much of this type of thing, when things slow down at the end of May, we'll be happy to help.

Happy planting - enjoy the gorgeous weather,  
*Harriet*
