

Nov. 2nd E-NEWS

If you haven't taken the time to plant your spring blooming bulbs yet, take that hour we gain with the time change this weekend to do it. **All our bulbs** (except the new Amaryllis that just arrived) **are now 30% off!!**

Each year when the time changes, we've found that once it gets dark out that people are reluctant to come in to shop. For this reason we will be changing our hours of business starting on Monday. Instead of being open daily from 8 until 6, our new hours are **9 until 5:30 each day except for Sunday** when we will continue to open from 1 until 5 in the afternoon.

GARDEN TIP OF THE WEEK: Amaryllis

You know its early November when you see the bulbs of Hippeastrum (commonly known as Amaryllis) filling the shelves in our market. **These amazing blooming bulbs are soooo easy to grow and if you plant them right away, they'll be in bloom through the holiday season.** Learn more at this link:
